Professional Experience

- Jeff Stein offers over 25+ years of investigative experience dedicated to serving the security & investigation needs of businesses & individuals.
- My expertise concentrates on identifying and documenting the elements of theft, fraud and criminal conduct or civil misconduct based on data mining, interviewing, investigating and surveillances (on foot and mobile). I collect information, intelligence, documents and statements from those sources that are vital to the investigative process. With expertise in Criminal Defense, Cold Cases, Personal Injury, Inadequate Security, Liquor Liability, Corporate Fraud, White Collar Crime, Workplace Violence and Civil Investigations.
- My background includes more than 20 years of training and experience in evaluating, developing and managing security programs, conducting investigations and developing new practices to identify and reduce financial risks while mitigating theft and fraud.
 - Previous work experience include:
 - Private Investigator.
 - Director of Loss Prevention, Security & Safety.
 - Attended NJ State Police Academy – Municipal Class.
 - Senior management positions at Fortune 500 retailers.
- Owner of ELPS Private Detective Agency. ELPS PDA provides services for law firms, private citizens, various businesses and corporations throughout the State of PA, providing quality results in a timely fashion. Dedicated to serving the security & investigation needs of businesses & individuals.

Major Projects

- Successfully conducted hundreds of confidential investigations regarding, murder / homicide, thefts, frauds and various crimes for law firms, businesses and private citizens.
- Specializing in Criminal Defense Work, my major objective is to verify and validate investigations conducted by law enforcement. I will review the police investigation and re-interview witnesses to find inconsistencies in their stories and to develop new and independent leads.
- Provided investigative services for the defense where Pennsylvania exonerated its' 10th person based on DNA evidence through post-conviction DNA testing of person serving a 70 yr. sentence. This is Pennsylvania's 10th inmate to be exonerated. (Comm v. Brown, Dauphin Co. July 2010).
- Investigated what was classified by the FBI as a **massive financial fraud ring** controlled by a network of Nigerian students.
- Court Appointed CJA investigator for the Defense team of one of the most prevalent Capital Cases to be tried in the United States District Court; Eastern District of Pennsylvania.
- Provided evidence used to convict a subject charged with murder in NYC.
- Provided armed and unarmed security for special events, night clubs, USS Intrepid as well as professional protection and crowd control for celebrities including; Iman, James Brown, Kelly Ripa & Gretchen Randolph.
