**How would you describe your career in 2 or 3 sentences to someone you met at a party?**

I did 31 years with the NJ State Police. I was on a Tactical Patrol Unit for 10 years and 17 years working the Road including the New Jersey Turnpike and Atlantic City Expressway. The last 4 years of my career I was the Assistant Unit Head of Security for NJ State Police Division Headquarters campus and the RJ Hughes Justice Complex in Trenton. I was responsible for the day-to-day operations at both locations.

**What do you consider your professional specialization or field and what certifications or memberships do you have in it?**

Two recent schools I graduated from were the FEMEA Leadership School and the New Mexico Tech School for Prevention and Response to Suicide Bombing Incidents. My strongest suit would be Site Security and Site Assessment of security needs - what works, what doesn't work and an evaluation of the current security plan.

**What is the greatest strength you will bring to Kolins Security Group and their clients?**

I bring my enthusiasm and strong work ethic, and mainly my knowledge. I hold a BA in Criminal Justice from Rowan University combined with 31 years as a NJ State Trooper.
